

YOU CHANGED MY LIFE

MEET LYNN

Lynn is a retired Major in the Air Force and recently lost his wife of 58 years. Lynn was lost, until he found Seniors at Lunch, a program offered by our partner agency, Aging Matters, which provides vital services for so many seniors in our community. Lynn now has a new circle of friends who support him! And, he enjoys the program so much he is now a volunteer.

UNITED WAY
Space Coast

Your donations really do change lives and strengthen our community! uwspacecoast.org
