2024 Annual Report

President's Message

What a year 2024 was! It brought growth, momentum, and meaningful transformation—not just for our organization, but for the entire Space Coast community we're proud to serve.

We've been hard at work behind the scenes, building a stronger foundation to fuel even greater impact. From modernizing our technology to streamlining financial systems and strengthening our HR practices, every move we've made has been with one goal in mind: to ensure your support goes further and changes more lives.

Of course, none of this would be possible without you.

Whether you give, volunteer, or lend your voice, your support is what powers the change we're creating together. You're helping us open doors, lift up families, and build a brighter future across our region.

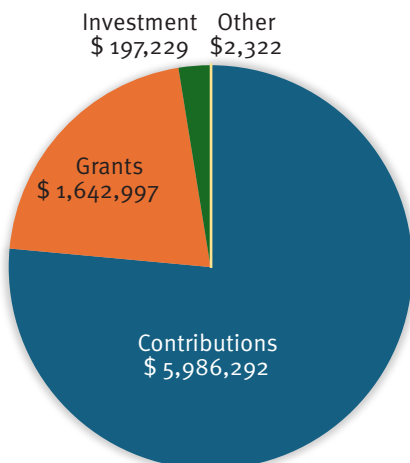

As we look ahead, we do so with hope, drive, and a deep sense of purpose. We're excited for what's next, and we're so glad you're with us on this journey.

With gratitude,

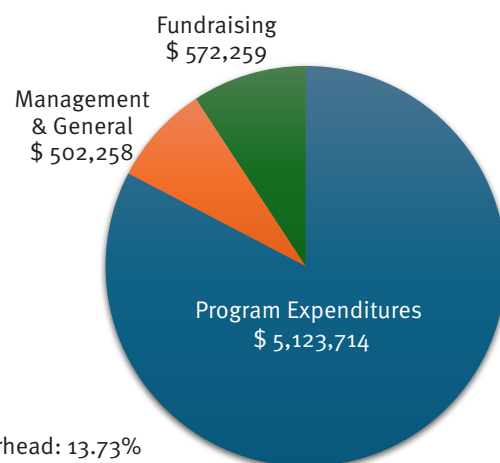

Caron Partridge, President, United Way of Brevard
